

# DRIVER RULES & INFORMATION

## PLEASE READ:

The Jennian Homes Building (JH Building) will be the base for any enquires, information, help, etc. The **Ambulance** staff are also located here.

Documentation/sign in will commence from **08:15 am** inside the JH Building, you **must** complete this to participate;

Track time is approximately from 10:00 am to 04:00 pm;

This is a FUN track experience day, not a race or time trial

## DRIVER OBLIGATIONS:

- To comply with the instructions of the organisers at all times for your own and others safety;
- There will be a **compulsory** Driver's briefing to be held at **09.30 am** outside documentation/sign in;
- Absolutely NO overtaking on corners will be tolerated. There are plenty of straights to use;
- Please be aware of other Drivers especially if you are overtaking - the onus is on you to overtake in a **safe** manner.  
Remember the car/bike you are overtaking may not be aware that you are there;
- Check your mirror when on **straights only**, if you see a quicker car/bike approaching, hold your line, they will pass around you;
- Should your car/bike malfunction or begin to leak oil during your session pull off to the side of the circuit and park as close to the Armco on the grass. Carefully get out of your car/bike and jump behind the Armco and stay there until the session has come to an end;
- Wristbands must be worn at all times (no wristband, no track time);
- If you are taking a passenger (applies to cars with full roll cage and correct seating only) they will also require an application form and wristband, these will be available at the JH Building;
- At documentation/sign in you will be issued with a **sticker to be attached** in clear view, preferably on your windscreen behind your rear view mirror. Please note this is the group you will be in for the day, so listen out when your group is called so you don't miss out!!
- Please remove all loose items from your car/bike (eg. mobile phone, bottles, kids seats etc) as they can be a distraction or safety hazard whilst driving;

## CLOTHING:

- Preferred clothing for cars would be **overall/racing suits** however, covered footwear, long pants, and long sleeve shirt would be a recommended alternative. This is for your safety in case of a fire, more clothing, less burn surface;
- Safety approved **helmet** to be worn at all times until you have returned to your pit area;
- Please note the Controlled Speed Group will not require overall/racing suits or helmets, however clothing as specified above would be highly recommended.

## FLAG SIGNALS:

- Checkered Flag: will be shown at the conclusion of your session, proceed with caution back to pit lane;
- Green Flag: track now clear to resume session;
- Yellow Flag: reduce speed drive with caution;
- Red Flag: indicates session has been stopped, reduce speed immediately and slowly return to the pit lane to await further instructions from the event organisers.

## PIT LANE INFO:

- Max **45 km** only from the start of pit lane until the end (just by the start line);
- Please note: Pukekohe Park has a maximum noise level of **95 db** (decibels).

## FOOD/DRINK

- Pre-ordered **lunches** will be available at the JH Building from 11:00 am for collection;
- Limited **cold drinks** will also be available for purchase from JH Building.
